

MAYFIELD SCHOOL NEWSLETTER

Week 11

Term 1 - 2024

Principal's News

Kia ora, Talofa lava, Malo e lelei

We have reached the end of a long term 1, 11 weeks, and everyone at school is ready for a rest. It has been another busy term with new students starting at Mayfield School and lots of new learning for tamariki and staff.

Staff Changes

Tomorrow is the last day at Mayfield School for Miss Stone and Scott, as they move off to new endeavours. We wish Miss Stone and Scott all the best and thank them for their mahi at Mayfield School - Ngā mihi nui. Next term Renee Gill will be acting Deputy Principal and Kat MacDonald will be joining the team again and will be teaching Pohutukawa Class.

New Deputy Principal

We are working our way through the process of appointing a new Deputy Principal and we will be able to share any developments early next term.

Education Review Office (ERO)

Next term we will have our ERO review partner coming to the school to work with the board and staff. The board and the staff are currently working through the ERO checklists which help us to determine whether we are meeting all of the legislative requirements for providing education in a primary school in New Zealand. Every school goes through this process with ERO.

Parent Help

We still need a helping hand with Road Patrol and Sausage Sizzle, so if you are able to assist in term 2 then please come and have a chat to Mrs Mullany at the office.

Road Safety

Reminder - please keep clear of parking on the yellow lines when collecting and dropping your tamariki to school as it blocks the view for the road patrol students.

Tomorrow is our last day for the term and we will be back at school for the first day of term 2 on Monday 29 April. Have a safe and restful break with your whanau and we will see you all back at school on the 29th of April.

Nga mihi nui

Ka kite ano
