An Explanation of the new Curriculum and Reporting to Parents changes.

Attached to this newsletter is a notice that provides some information about the changes to the curriculum and changes to how we report student achievement to parents. Please take a moment to read this notice and if you have any questions you can contact me at school or ask your child's teacher when you come for your parent/teacher meeting in week 11.

Recent Vandalism and theft

Over the past 4 weeks we have experienced two incidents of vandalism and theft on the weekends. I have passed security camera footage to the police and I will be seeking to have the 5 - 6 teenage boys involved trespassed from the school. The school is a public place and we encourage families to access the grounds to enjoy the playgrounds and the bike track. We also ask that all people accessing our school grounds and facilities respect them. If you know anything about the group of boys involved in knocking out a fence panel a few weeks back and taking Mayfield School students' jackets from the lost property box on Saturday this past weekend, please let me know.

Breakfast Club

A reminder that Breakfast club is running every Thursday in the hall so please make sure your tamariki comes for milo/cereal/toast before 8.30am. This is a free breakfast supported by the Tautoko Trust.
